

Note: The ministry will be scheduling additional sessions in the spring and fall, but we do not have any details yet. Once the ministry has more information, it will be sending it out as it had the previous e-mails regarding training. If you have additional questions, or require a course, please contact Karissa Potiuk with Municipal Affairs (karissa.potiuk@gov.ab.ca) so that she can track who needs training and the ministry can schedule accordingly.
